

SAFEchild Programs

SAFEchild's mission is to eliminate child abuse and empower families in Wake County

SAFEchild's parent education and support programs focus on strengthening families by helping them to communicate effectively, manage emotions and encourage cooperation. Group support reduces isolation, builds self-esteem and reinforces positive parenting.

Groups are in person at various locations unless otherwise noted. Except for MENS, SAFEchild programs are free and children are encouraged to attend in-person groups with their parents.

SAFEchild Community-Based Programs and Partnerships

SAFEchild Advocacy Center

A child-friendly, community-based facility providing comprehensive medical evaluations for children from birth to 17 when there is an open investigation for child sexual abuse, physical abuse and/or neglect. Children and their non-offending family members receive advocacy services for ongoing support, as well as referrals for other services such as mental health therapy. All appointments are Monday through Friday and scheduled through referrals from law enforcement or Child Protective Services.

Gretchen Walters - gwalters@safechildnc.org

Funny Tummy Feelings

A one-hour interactive and engaging presentation teaching children ages 6 to 8 the skills they need to protect themselves from physical and sexual abuse. The program is presented by SAFEchild-trained counselors in all Wake County elementary schools, as well as private and charter schools.

Elizabeth Clark - eclark@safechildnc.org

Growing Resilience Movement

SAFEchild is the backbone of the Growing Resilience Movement, a multi-sector partnership committed to unifying our community to prevent and alleviate adverse childhood experiences (ACEs) by helping adults build their capacity to create safe, nurturing and stable environments for children.
